

Product Name: DL+lactic acid

Technical indicator:	Specification
Differentiation	The aqueous solution shows acidly and the lactic acid salt is presented in the hope of being improved and reacted
Lactic Content	80-90%
Color	≤150APHA
Chloride	≤0.002%
Sulphate	≤0.005%
Heavy metal	≤0.0001%
Arsenic salt	≤0.0001%
Molysite	≤0.001%
Ignition residual	≤0.1%
Calcium salt	Pass the experience
In ether solubility	passes the experience
Reduce candies	pass the experience
Cyanide	≤0.005%
Oxalic acid,Phosphoric acid	Pass USP experiment
